

REQUEST FOR PROPOSALS - Fire Apparatus Fleet Replacement

1. Issuing Organization

City of Cedar Rapids, Iowa - Fire Department. RFP Number: FD-2026-014. Issued August 1, 2026.

2. Submission Deadline

All proposals must be received no later than 5:00 PM CST on October 30, 2026.

3. Scope of Work

The City seeks a qualified vendor for the manufacture and delivery of three (3) custom pumper fire apparatus and one (1) 100-foot aerial platform. Units must meet NFPA 1901 standards. The contract includes a five-year preventive maintenance and service agreement covering all units.

4. Estimated Budget

The City has allocated \$4,200,000 USD for this procurement, inclusive of the maintenance agreement.

5. Vendor Qualifications

Vendors must demonstrate at least 10 years of experience in fire apparatus manufacturing, mobile service capability within the state of Iowa, and a parts availability guarantee of 48 hours for critical components.

6. Current Fleet

The City's existing fleet is a mixed fleet of aging apparatus from multiple manufacturers. No single incumbent vendor holds a dominant position.

7. Award Timeline

The evaluation committee anticipates award notification by December 15, 2026, with contract execution in January 2027.
