

REQUEST FOR PROPOSALS - Airport Rescue and Fire Fighting Vehicles

1. Issuing Organization

Metropolitan Airports Commission. RFP Number: MAC-2025-331.

2. Submission Deadline

All proposals were due by 2:00 PM CST on March 14, 2025.

3. Scope of Work

Procurement of two (2) FAA Index C aircraft rescue and fire fighting (ARFF) vehicles with 3,000-gallon water capacity, plus associated firefighter training simulator services and thermal imaging systems.

4. Estimated Budget

Estimated value is \$2,800,000 USD.

5. Vendor Qualifications

Vendors must hold FAA ARFF certification and provide references from at least five commercial service airports.

6. Incumbent

The Authority's existing ARFF fleet was supplied by Oshkosh Airport Products under a prior contract.

7. Award Timeline

Award was anticipated in Q2 2025.
